

The SIMULIA Learning Community For New Users

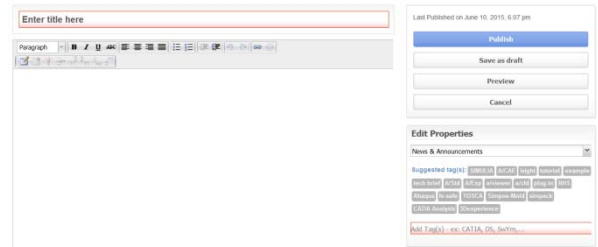

How to log into the SIMULIA Learning Community

- Navigate to www.3ds.com/slc
- If you already have a DS Passport, use the same credentials and log in
- If you do not have a DS Passport, create an account

Becoming an Active Participant

- A great way to get started in the Learning Community is to create a blog post
- To get started, click on the **"Blog"** tab located in the top left of the page
- Once you are on the blog page, click **"Create a blog post"** on the right hand side
- If you are not already an author, you will be prompted to send a request indicating you would like to become an author
- You will receive an email notification that you have been made an author within 24 hours
- If you already have authoring rights, an empty blog post template will appear

iQuestions

- Another way to get started in the Learning Community is to post or answer an iQuestion
- To post an iQuestion, go to the **"iQuestion"** tab located in the top left of the page
- Once you are on the iQuestion page, click **"Ask an iQuestion"** on the right hand side
